

Silhouette Sponsoring and Scholarships

Many young people miss out on the opportunity to learn and hone skills in the arts due to lack of funding. Many of our students pay for their own lessons even at a young age of 12 or 13 and find payments difficult at times. Because of this, *Silhouette Ballroom Studios* is creating a Scholarship Fund in which those that qualify will be able to have their tuition paid in full or part by another entity.

We encourage you to pledge an amount that will help those youth in your community achieve their goals and follow their dreams!
